St. Louis Firm Said to Have Seeured Contract for 60,000 Head at Bid of Ten Million Dollars.

COLONIZATION STORY REVIVED.

During Boer War It Was Rumored That Great Britain Meant to Make Mule Camp Nucleus for Imperial Colony.

REPUBLIC SPECIAL. Lathrop, Mo., Dec. 16 .- The Boer farmers of the Transvaal have ordered 60,000 mules from the Guyton & Harrington Mule Compary of Lathrop and St. Louis. The contract is said to have been entered into about October 1, at which time the first 1,000 mules

were started to South Africa. An amount approximating \$19,990,000 is thought to be the purchase price. The mules ordered are of superior grade and are to be used in restocking farms devas-tated by the late Boer war.

That this Boar contract does not necessitate the elatorate proparation now in progress warrants the belief that the British Government is to renew mule-buying operations at Lathrop. This belief has been strengthened by the recent visits of some of the affiners who were connected with the historic British Remount Commission Etationed here during the late Boar war.

Oakland, Cal., Dec. 16.—The Southern Pacific Company has granted a new wage schedule for switchmen which establishes a straight rate per hour instead of the former wase rate of \$50 per month for day men and \$50 and \$50 per month for night men. The new rate is as follows: Day helpers, 28 cents an hour; day foremen, 31 cents an hour; night foremen, 32 cents an hour.

The schedule provides for "no Sundays off," but there is a rumor at the West Oakland yards that the switchmen will endeavor to have the company allow two Sundays a month with full pay added.

The engineers and firemen have presented a demand for increased pay, and it is reported that an increase of 8 per cent will be granted.

definitely located within the next ninety days.

Less than 600 miles of the line remain to be located, including 192 miles between Kansas City and Wichita in Kansas, 300 miles in Southwest Texas, and 300 miles in Mexico. Surveys have been made for these parts of the line, and it only remains to select one of these routes and secure the necessary right of way.

The Orient is planning to use sixteen miles of Missouri Pacific track between Milton and Wichita, Kas. From this fact has grown a report that the Orient intends to use the Missouri Pacific tracks between Kansas City and Wichita. This is denied by the officials of the Orient and discredited by Missouri Pacific officials generally.
